

PRODUCT PORTFOLIO

Leaders in GCC,
providing turnkey furnishing for
Staff Accommodations.

About us

Established in the year 2007 with its corporate base at Dubai, SAZ General Trading is one of the leading and eminent business enterprises in the field of providing complete range of staff accommodation and office comfort solutions. With a rich industry experience, we have established ourselves as one of the most trusted names in the region. Our wide range of products is known for its high performance, robust design and low maintenance ensuring a hassle free experience.

Mission

Our mission is to be the most customer-centric company in the GCC by supplying quality staff accommodation to organizations that help them cater to staff accommodation requirements in the region.

Vision

Our vision is to be a recognized leader in the GCC through our performance, people and commitment to company's core values. With a growing footprint in the past decade, we continuously strive to satisfy our customers with innovative solutions while maintaining the same philosophy of quality, trust & integrity.

Why choose us

We offer a wide range of products for staff accommodation & office comfort solutions for small, medium & large organizations. Our in-depth know-how of the industry has not only been the key to successfully serve our customers but also to overcome challenges and invest in opportunities for product innovation. With an expanding logistics network, we promise to deliver your products in a timely manner and to your convenience. Last but not the least, we have a dedicated team of young, experienced & enthusiastic professionals to serve you better at any point in time while doing business with us.

Our Core Values

As a leader in an industry that is constantly growing, we ensure our full commitment towards quality, trust & integrity which has also helped us achieve a preferred supplier status in the hearts of customers in a very short time. With our ethical business practices and customer-centric approach we are able to establish an esteemed presence in the market.
